

Astrent Sons Collective LLP – Premium

Dehydrated Food Ingredients Supplier

About the Company

Astrent Sons Collective LLP is a forward-thinking food processing company specializing in the

manufacturing, dehydration, and export of high-quality fruits, vegetables, herbs, and spices.

Based

in India, the company serves as a trusted sourcing partner for B2B clients across domestic and

international markets. With a strong focus on quality, innovation, and sustainable sourcing, Astrent

Sons Collective LLP transforms fresh agricultural produce into premium dehydrated ingredients that

retain their natural flavor, nutrients, and long shelf life.
